FROM IDEAS TO  
OWNERSHIP**  
Organized by IPR Cell in association  
with IQAC, MDKG College,  
Dibrugarh, Assam

**Resource Person:**  
**DR. SATYABRAT GOGOI**  
Assistant Professor,  
Department of Chemistry,  
The Assam Kaziranga University

25 April, 2026  
At 11:00 AM

**VENUE**  
Conference Hall, Campus II, MDKG College

A one-day workshop on “*Understanding IPR: From Ideas to Ownership*” was successfully organized by the IPR Cell in association with IQAC, MDKG College, Dibrugarh on 25<sup>th</sup> of April, 2026. The workshop aimed to create awareness and provide a comprehensive understanding of Intellectual Property Rights (IPR) among faculty members and students. The programme witnessed active participation, reflecting the growing interest in innovation and knowledge protection.

### Aims and Objectives of the Workshop

The primary aims and objectives of the workshop were:

- To introduce participants to the concept and importance of Intellectual Property Rights.

  
Co-ordinator  
IQAC

Dibrugarh

  
Chairperson  
IQAC  
MDKG College  
Dibrugarh

- To create awareness about different types of IPR such as patents, copyrights, trademarks, and designs.
- To guide participants on how to transform innovative ideas into legally protected intellectual property.
- To encourage research, creativity, and innovation among students and faculty.
- To familiarize participants with the process of filing and managing intellectual property.
- To highlight the role of IPR in academic growth, entrepreneurship, and economic development.

### **Inaugural Session**

The workshop began with an inaugural session, graced by the Principal of the college, Dr. Anup Jyoti Bharali, who delivered the inaugural address. In his speech, he emphasized the significance of protecting intellectual creations in today's knowledge-driven world. He encouraged students and faculty members to actively engage in research and innovation while ensuring that their ideas are safeguarded through proper IPR mechanisms.

### **Technical Session**

The resource person for the workshop, Dr. Satyabrat Gogoi, Assistant Professor, Department of Chemistry, The Assam Kaziranga University, conducted an informative and engaging session. He elaborated on the fundamentals of IPR, including patents, copyrights, trademarks, and industrial designs. He also explained the step-by-step process of converting ideas into ownership through proper legal frameworks.

Dr. Gogoi supported his session with practical examples and case studies, making the topic easily understandable for participants from diverse academic backgrounds. He also discussed the importance of IPR in research, innovation, startups, and commercialization of ideas. The session included interactive discussions, where participants actively engaged by asking questions and sharing their views.

### **Participation and Interaction**

Faculty members and students from various departments participated actively in the workshop. The interactive nature of the programme fostered a collaborative learning environment. Participants showed keen interest in understanding the application of IPR in their respective fields and appreciated the clarity with which the resource person addressed their queries.

### **Programme Coordination**

The workshop was smoothly conducted by Dr. Shreemoyee Bordoloi, Coordinator of the IPR Cell, MDKG College. Her effective coordination ensured the successful execution of the programme.

### **Valedictory Session**

The workshop concluded with a formal vote of thanks delivered by the IQAC Coordinator, Dr. Ashwini Machee. He expressed sincere gratitude to the resource person for his insightful session, the Principal for his guidance, faculty members, teaching and non-teaching staff, and all participants for their enthusiastic involvement.

### **Conclusion**

The workshop proved to be highly informative and beneficial for all attendees. It successfully enhanced awareness and understanding of Intellectual Property Rights and highlighted the importance of protecting innovative ideas. Such initiatives play a crucial role in fostering a culture of research, creativity, and entrepreneurship within the academic community.
